Dear Parents,

Although most of the children in our school behave wonderfully, we unfortunately have had occasional problems with students of our school damaging school equipment and the property of the Day School students. We MUST take a strong stance on this matter.

- Anything contained in the Day School student’s desk may not be touched.
- Any wall displays may not be tampered with.
- No student may write or erase anything on a dry erase board without a teacher’s permission.

Any child that is found willfully damaging school or student’s property **in any way** will not be allowed back in the school the following week. If it happens more than once, the continuation of the student in the Hebrew School will be in jeopardy.

To ensure that your child is aware of the gravity of this issue, we require that you discuss this with your child, and hand in the form below to your child’s teacher on the first day of school.

Thank you for your cooperation.
