

2018-2019 STUDENT RESPONSIBILITY FORM

Please submit this form on the first day of school, September 16.

Dear Parents,

Although most of the children in our school behave wonderfully, we unfortunately have had occasional problems with students of our school damaging school equipment and the property of the Day School students. We **MUST** take a strong stance on this matter.

- Anything contained in the Day School students' desk may not be touched.
- Any wall displays may not be tampered with.
- No student may write or erase anything on a dry erase board without a teacher's permission.

Any child that is found willfully damaging school or students' property in any way will not be allowed back to school the following week. If it happens more than once, the continuation of the student in our Hebrew School will be in jeopardy.

To ensure that your child is aware of the gravity of this issue, we require that you discuss this with your child, and hand in the form below to your child's teacher on the first day of school.

Thank you for your cooperation.
