

ROSH HASHANA 5780

IMPORTANT NOTES

Please be courteous to our neighbors!

At any time throughout the year, but especially High Holiday season, please be careful **never to block any of our neighbor's driveways or mailboxes.**

Do **NOT** park in front of our neighbor's house at 35 Gordon's Corner Road at any time. They are wonderful neighbors, and are very respectful and understanding of our activities in the family room. Please let us show them respect and consideration as well.

Do NOT park within 50 feet of the Corner of Gordons Corner Road.

In addition, please be respectful to Shul property and cleanliness. Help us keep it neat and clean and a place we all can be proud of.

Thank You!
